

## Updated By-Laws

After a months long process, an update of the GKCRA By-Laws was approved at the July 12<sup>th</sup> board meeting. The By-laws will be reviewed on an annual basis going forward. For a copy of the new By-laws [click here](#).

## Top 10 Critical Violations

The Kansas City, Missouri Health Department has just issued their list of top 10 critical violations for 2021. To view the list, [click here](#). "Food Contact Cleaning Frequency" was the top violation replacing "Hot & Cold Holding." New on the list are "Using a Handwashing Sink" and "Hand Drying Provision." The fact that these items are cited more frequently could mean the Health Department is putting more focus in these areas. A review of your operations to make sure you are in compliance could help you avoid these critical violations.
