

# 5<sup>th</sup> Annual Scott Knopfel

## MEMORIAL DINE-OUT

### TUESDAY, APRIL 14, 2020

Promote your restaurant and fund scholarships for area restaurant and hotel employees.

The first four Scott Knopfel Memorial Dine-Out events were a terrific success. Scholarships have been awarded to 41 students. Help fund even more scholarships in 2020.

Enroll today to include your restaurant in pre-event publicity. Last year, the event was promoted by all three local network affiliates, as well as additional paid and earned media. You will receive promotional items to generate interest with current and prospective customers.

Scott Knopfel was a lifelong St. Louisan who touched many lives during his career in the restaurant and hotel industries. He died tragically in January of 2015. The concept of honoring his life through memorial scholarships originated with St. Louis restaurateur Bart Saracino. The Knopfel family endorses the Dine-Out and works tirelessly to ensure its success.

The restaurant named below will participate in the 2020 Scott Knopfel Memorial Dine-Out (the Event). Within sixty (60) days after the Event, I will remit to the MRA Educational Foundation a monetary contribution, **determined at my sole discretion**, to be used to fund scholarships for restaurant and hotel employees. I am aware that failure to remit this contribution may exclude participation in the Event in the future.
